Durell Vineyard is located in the Petaluma Gap region of the Sonoma Coast AVA. The area is actually quite warm - as such the fruit doesn't retain much acidity. The lower acid profile leads to the rounder, softer, slightly oily mouth feel that Durell Vineyard Chardonnays are known for.

Winemaker Tasting Note

Deliciously rich and creamy. Full-bodied, with layers of apricot, peach and hazelnut flavors that are deep and persistent, ending with a touch of butterscotch. The wine equivalent of liquefied crème brûlée.
