Russell Family Vineyard is located in the Templeton Gap area of Paso Robles. It's a fantastic site for growing Mourvedre due to the amazing amount of limestone in the soil. That allows us to get perfectly ripe fruit without losing acidity.

Reviews

California Grapevine

92 Points

Medium-dark ruby color; attractive, forward, deep, intense, perfumed, spicy, peppery, black cherry and blackberry fruit aroma; full body; forward, ripe, earthy, red and black fruit flavors with a note of cracked pepper and a full, rich mouthfeel; medium-full to full tannin; lingering aftertaste. Very approachable and relatively easy to drink now. Very highly recommended.
