#### Reviews

##### **PinotFile**

**91 Points**

*Moderate garnet color in the glass. Aromas of black fruits and pipe smoke lead to an abundance of dark red and black fruits that caress the palate. Nicely composed with a deft touch of oak and good harmony, finishing with impressive purpose.*

##### **Wine Spectator**

**90 Points**

*Flavors of mulled berry, Asian spice and dark plum are well-integrated in this rich style. Stone and flint notes show on the lively finish.*
