<b>Case Produced</b>	600

## REVIEWS

### **JEB DUNNUCK**

**90-92 Points**

The value-priced Santa Lucia Highlands effort, the 2018 Pinot Noir Santa Lucia Highlands reveals a more plum/ruby color as well as plenty of classic, forward red and black fruits, spice, and underbrush aromas and flavors. This fleshy, medium-bodied, nicely textured effort has fine tannins, good balance, and will drink nicely right out of the gate.
