Located on the eastern end of the Sta. Rita Hills AVA on Santa Rosa Road, Peake Ranch is a 105-acre parcel with 50 acres of vines. The plantings include seven different clones of Pinot Noir, three clones of Chardonnay and two each of Syrah and Grenache. The plantings are all along a hill that covers most of the ranch, exposing the vines to the cool air that comes off the Pacific and into the Santa Ynez Valley. The combination of North, South, East and West facing slopes coupled with the exposure to varying degrees of the cool wind give the vineyard a diversity of fruit flavor profiles that is unique for a ranch of its size.

The 2020 Pinot Noir Peake Ranch Vineyard has a clean, classy style that brings loads of sweet fruit and texture while staying balanced and lively. It's one of the more fruit-loaded wines in the lineup yet still has plenty of classic Sta. Rita Hills salinity and complexity.
